RE: E. 1<sup>ST</sup> STREET INTERCHANGE RECONSTRUCTION PROJECT  
PROGRESS REPORT NO. 69  
S&A PROJECT NO. 109.0051.01  
CITY FINANCE PROJECT NO. 951.4210

Dear Mr. Mueller:

This is the sixty-ninth progress report for the above referenced project and covers work through September 15, 2016. Our work through this period includes coordinating with Iowa DOT staff, utility coordination, responding to requests for information as requested by DOT staff, and final design and plans.

We are currently preparing the cross sections and grading model for the Phase 1 (2017-18) construction, final drainage design, construction staging for the first project phase, preparing the 404 permit, coordinating with franchise utilities to facilitate their relocations prior to construction, and review of their relocation plans.

We look forward to continuing working for the City and you on this important project. Should you have any questions on this update, please feel free to contact me. We will be in attendance at the October 3, 2016 council meeting to answer any questions regarding this invoice.

Sincerely,
